How to use the app and the PDFs

For students

You read the stories with your class and at home. This guide shows you how to use the app and the PDF books.

Start

1. Open the app link on a computer, a tablet or a phone.
2. Type the access code from your teacher.
3. Choose Student.
4. Choose English or Arabic at the top.

Find your book

1. Choose the story your teacher gives you.
2. Choose your level: A2, B1 or B2.
3. You do not need an account. The app remembers your work on this device.

Every chapter

1. Before you read: look, guess or find the answer fast.
2. Listen: Listen once and follow the text.
3. Read: Read one short part at a time.
4. Tap an underlined word to see its meaning.
5. Quick Challenge: Answer the short questions.
6. I can: Check what you can do now.

A wrong answer?

1. Find the answer sentence in the chapter.
2. Read it again.
3. Try again.

My words

1. Tap an underlined word and choose Save to My words.
2. Open My words from the menu and review your words after one day, three days and one week.

Seyahatname: your travel journal

1. Open Seyahatname on the home page. On a phone, it has its own tab.
2. Finish the Quick Challenge of a chapter and its stamp is pressed in your journal.
3. Finish the Final Challenge of a book and the book is sealed.
4. If you like, choose a weekly goal. A new week starts on Monday. Nothing you earned is lost.
5. Finish all the books of a level in one language and your certificate for that level is ready.
6. New device? Choose Show my code here, then I have a code on the new device.

Study well

1. Plan: Read Make Your Plan in the Self-Study Guide before Chapter 1.
2. Check: After each chapter, look at I can. Can you do it now?
3. Review: Look at My words again after one day, three days and one week.
4. Look back: When you finish the book, answer Look Back again (section 10 of the Self-Study Guide).

The end of the book

1. Do Knowledge Check, Vocabulary Challenge, Language Review and Final Challenge.
2. Then you see your result card with a short code.
3. Show the card or the code to your teacher.

The PDFs

1. Story book: The story and the activities on paper. You can also choose Story only or Story + Workbook.
2. Scan a QR code in the story book to open the same page in the app.
3. Self-Study Guide: A plan for study at home, with Make Your Plan and Look Back.
4. Open the book menu. The PDFs are under Printable PDFs.
5. A PDF opens in your browser. You can print it or save it.

Good to know

1. How to use this book in the menu explains every icon.
2. The Self-Study Guide is also in the menu of every book.
3. Save this book offline in the menu to read without internet.
